9 Whether the structure is sound or not for  
Conducting classes

It is safe to conduct the classes under  
normal weather conditions

Note: The stability of the structure should be examined also with reference to location altitude  
1, intensity of wind exposure of flood etc.  
2, Any additional observation deemed necessary for the certificate may be furnished  
separately with the certificate.

Certified that the school was inspected by me on 16.06.2025 and found to be fit to conduct classes for the  
period for the reasons stated above.
